

*Seeking Employment, Equality and Community for  
People with Developmental Disabilities*

Dear SEEC Families and Friends,

I hope everyone is keeping well, practicing social distancing and staying home as much as possible!

I am writing to let you know that Governor Larry Hogan has extended the closure of Maryland public schools through April 24, 2020. To that end, SEEC will continue its suspension of day services within SEEC's Community Engagement and Employment Services programs for people currently not employed through April 24th as well.

Please visit our [WEBSITE](#) for a list of resources, communications and more information on closure procedures.

We wish everyone good health and appreciate your support and understanding as we move forward.

Sincerely,

*Karen*
