Dear SEEC Families,

I hope this note finds everyone well. I wanted to remind you about the Wednesday Calls for anyone who has questions or would like more information about what's happening at SEEC. Wednesday calls are recorded and posted **HERE** if you can't participate in person. Hope you can join us today.

Additionally, we will be hosting a webinar next Thursday on creating hospitalization profiles. See below for more information!

What: COVID Preparation Hospitalization Profile Webinar

When: Thursday, April 30th from 5:00-5:45 pm

Donne Allen will be hosting a COVID Preparation Hospitalization Profile Webinar for families who want to be prepared should their loved one need to be hospitalized. Many hospitals don't allow visitors to enter with patients. Do you have a document ready to send with your loved one? This webinar will help you think through and identify important information for hospital staff should the need arise. SEEC's DSPs are creating these profiles for some of the people SEEC supports in order to be prepared. We'd like to empower you to do the same should you wish.
