

Topic: Pedestrian Safety

1. Watch "Walk this Way" video
 - a. Discuss: what are two things you learned during that video?
2. Go through "Pedestrian Safety Signs"
3. Review "Pedestrian Safety Flier"
4. Review and discuss "Pedestrian Safety PPT"
 - a. Have person verbally tell you whether the scenario is safe or not
 - b. If they are nonverbal, have them do thumbs up/down or nod/shake head
5. Go through either of the "Activity" docs
 - a. Do "Activity with Words" if person uses language to communicate
 - b. Do "Activity with Pictures" if person is nonverbal
6. Activity: if it is safe, take a walk outside. Discuss the following:
 - a. Are there sidewalks and crosswalks? If not, how would you safely cross the street?
 - b. Are there obstacles that may make it hard for a car to see you?
 - i. Ex. Trees, signs, buildings, bushes
 - c. Are there driveways that you would need to pay attention to?
