## Video

The people SEEC supports are using their voices to partner with us, remove barriers and live without limits.

## Video

Video: Watch testimonials from families who partner with SEEC to support their loved ones to live with independence and fulfillment.

## Video

The people SEEC supports lead their lives with choice and control. SEEC personalizes services to their unique wants and needs.

# About SEEC

## **Supports and Services**

- SEEC is a Maryland nonprofit with offices in Montgomery County that provides person-directed, community-based services.
- Supporting people with Intellectual and Developmental Disabilities (I/DD) on their journey through adulthood (typically ages 18 and up; age eligibility varies by service).
- Serving residents of Maryland and Washington, DC (service availability varies by location).
- Available Services: Community Engagement, Employment Services, Project SEARCH, Supported Living, Personal Supports, Behavior Support Services, Family Support Services, Education and Training Support, Benefits Services, Assistive Technology

---

## **Workforce**

- Direct Support Professionals partner with people supported to remove barriers to living full lives in the community through jobs, friendships, and service.

---

## **Funding**

- Maryland Division of Rehabilitation Services (DORS), Maryland Developmental Disabilities Administration (DDA), DC Rehab Services Administration (RSA) and the Montgomery County Government.
- Options are available for private pay
- Supports are available for self-directed services payment

---

## **Partnership**

- SEEC shares expertise and resources nationally through webinars and conferences to improve access, funding, and training.

# Community Engagement (CE)

The Community Engagement department partners with people to have fun with friends, volunteer at local nonprofits, explore interests, prepare for work and be a part of their community.

---

Coaches help people create a schedule based on their personal interests and goals.

---

Each week, people in Community Engagement build skills, become more independent and prepare for the potential of a job.

---

Our team believes everyone should be included and reach their full potential.

# Employment Services (ES)

The Employment Services department helps people identify what they are good at doing and what they want in an employer.

---

Our team works with local business partners to understand their workforce needs.

---

Job matches are customized to pair the unique talents of the job seeker and the needs of the employer.

---

SEEC's business partners understand and appreciate the unique talents of people with disabilities.

# Pre-ETS

## (Pre-Employment Transition Services)

The Pre-ETS program supports Montgomery County students ages 14–21 explore career interests and develop an understanding of the workforce.

---

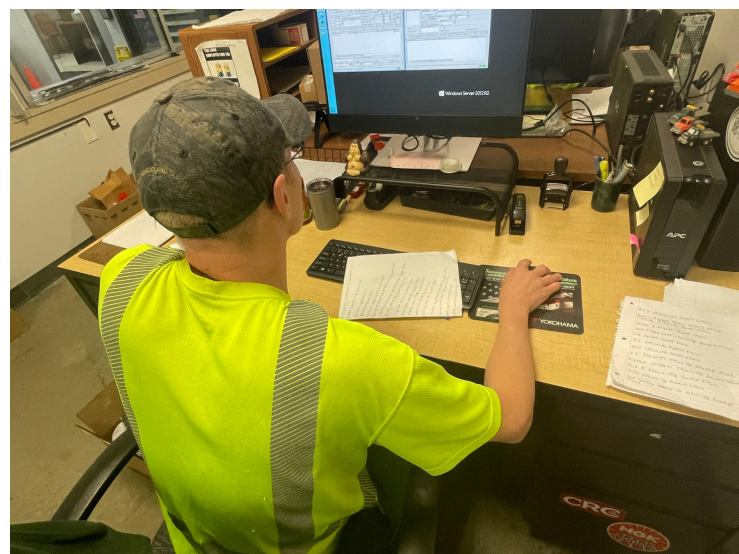

Pre-ETS introduces students to SEEC's lifelong pipeline of services and supports.

---

Small, in-person groups focus on building confidence, identifying strengths, and developing essential skills for future success.

---

Through hands-on learning, students gain experience in job exploration, workplace readiness, self-advocacy, and planning for post-secondary education.

# Project SEARCH (PS)

Project SEARCH is a program that gives young adults job experience through internships with places like the Montgomery County Government and Hilton Hotels.

---

Project SEARCH interns spend time in a classroom with a teacher and on a job site learning work skills and behaviors.

---

Our team works with people with disabilities and their families every step of the way.

# Supported Living (SL)

The Supported Living department partners with people to choose where and with whom they want to live.

---

Direct Support Professionals (DSPs) provide help up to 24 hours a day depending on the person's unique wants and needs.

---

Supported Living services help people to remove barriers to being more independent, respected and included in their community.

# Personal Supports

Personal Supports services are provided any time during the day or night.

---

DSPs help people with things like paying bills, meal planning, grocery shopping, and budgeting.

---

Our team helps people learn daily life skills while living at home with their family or on their own.

# Learn to Earn (L2E)

The Learn to Earn program supports people on their journey to employment by highlighting current skills and helping gain new skills.

---

Learn to Earn helps people facing barriers to finding and keeping a job.

---

Learn to Earn integrates classroom lessons into the weekly schedules and daily lives of job seekers.

---

Staff teach job related skills using a curriculum that includes using technology, building relationships and emotional regulation.

---

# SEEC's Unique Offerings

## **Assistive Technology**

---

Designed to help people achieve their goals, and gain more choice and independence through the use of low- and high-tech tools and resources.

## **Behavior Support Services (BSS)**

---

Designed to develop positive behaviors, improve social and emotional well-being, and increase independence.

## **Benefits Services**

---

Designed to educate and support people to access and maintain benefits, including strategies for keeping benefits while working.

## **Education and Training Support Services**

---

Designed to help people develop self-advocacy and life skills through one-on-one and group trainings.

## **Family Support Services**

---

Designed to help families build the skills and confidence to support their loved one's independence, well-being, and quality of life — through training, workshops, and advocacy.

**SEEC believes people with intellectual and developmental disabilities:**

- contribute in all aspects of society;
- deserve to actively participate in decisions about their lives;
- want to work, make friends, learn and live in homes of their choosing;
- have unique talents and gifts to contribute to the workforce;
- bring valuable diversity to society; and
- deserve to be respected and included in their community.
